School Report

To the Citizens of Barnstead:

In presenting this, our annual report, we would say that in a general way the teachers have labored faithfully for the advancement of the schools, and have well earned

their money. In only a few cases has it appeared that the teacher's only aim was the least work and fewest hours possible.

There have been several unavoidable changes in teachers, but we have endeavored to secure the best teacher possible for each school, and where the parents have worked in conjunction with the teachers good results have followed, without which it is almost impossible to have a good school.

It is easy for the casual observer to point out the mistakes of the teacher and give advice. It might be well if the parents could take the place of the teacher and learn to appreciate her difficulties.

Surely we should give the teacher our sympathy and good will, which will serve to cheer and stimulate her in her efforts.

One of the greatest evils of our schools is irregular attendance on the part of the scholars.

A certain amount of absence is undoubtedly unavoidable, but as it exists in some of our schools is a disgrace to both parents and scholars. If the parent does not have interest enough in the welfare and future of his own children, then the law which compels regular attendance should be more rigidly enforced, as such absences not only retard the progress of the absent one, but the work of the whole school is in a degree interfered with.

The following repairs have been made the past year: The houses at the South, Bickford and Tasker have been painted outside. The house at the Centre has been painted and papered inside. The one at the North has been painted one coat inside. The woodshed at Beauty Hill has been shingled and repaired. Some new blackboards have been added and more are needed. The North, Berry and White Oaks need painting outside. The North needs another coat inside, also the Berry, South, Beauty Hill and Pitman.

The following sums will be required for the ensuing fiscal year: For the purchase of text-books, \$100; scholars' supplies, \$75; flags, \$10; tuition of scholars in high schools, \$625; required by law, \$1,770.

Submitting respectfully these brief remarks to your consideration, and extending thanks for the unvarying courteous treatment that we have received from the citizens of the district generally, we announce that the annual school meeting will occur at the town hall on Saturday, the 12th of March, at 2 P. M.

FRANK G. FOSS,
ENOS GEORGE,
C. K. DAVIS,

School Board of Barnstead.
